RE: PowerSchool Agreement: Renewal of Naviance Platform

DATE: January 9, 2024

Attached is renewal agreement for the Naviance platform from January 2024 until June 2024. Due to recent issues with the program connected to not staying up-to-date. creating barriers for students and school counselors, and decline in customer service the platform will be evaluated with PowerSchool while also evaluating similar programs that could prove to be more robust. Based on the outcome of this work, a new platform or the same platform will be selected. The Naviance platform provides students with opportunities to better understand their own talents and strengths as they navigate choosing pathways into high school and preparing for postsecondary education as well as meeting ILP requirements. The costs will be 21,089.85 and will be funded through Title IV and BEAM funding. Approval is requested for the renewal of the Naviance platform for a 6-month period of time.
