Re: Healthier 4U Vending

Bullitt East High School is requesting approval for the installation of a vending machine by an outside company, Healthier 4U Vending. The Bookkeeping Dept. at Bullitt East High School with the help of Principal Nate Fulghum, has collaborated with the representative of Healthier 4U Vending to offer healthier options for Faculty and Staff. The company offers a commission percentage based on sales. The proceeds would be put into the Faculty Lounge Acct. There is no cost to the Board of Education or Bullitt East High School to have this vending machine installed in the Teachers Lounge. The vending machine will be available to Faculty and Staff. No students will be allowed to make purchases. Please see the attached documents for a list of items that can be purchased and the Location Agreement. We understand that the Board has an exclusive contract with Coca-Cola, so the vending machine would not offer drinks.
