Re: January 22nd Board of Education Meeting: Board Member Recognition

Since January is Board of Education Recognition Month, we would like to take a moment to celebrate our Board of Education Members.

1. Throughout the month, we've been sharing information about our Board of Education and its members on both our District website and social media accounts. Each post shared a little bit about each board member so that the community can get to know them each a bit better.
2. A written piece will be published in the Pioneer News this month.
3. Both Bullitt East and Bullitt Central culinary departments provided treats for our board members prior to tonight's meeting.
4. We've also had some help from our elementary schools in celebrating our board members with handmade cards. We want to give a special thanks to Old Mill, Brooks, Nichols, Roby, Overdale, and Mount Washington Elementaries for their help!
