**Topic:** Kentucky High School Athletic Association (KHSAA) Report on Title IX Deficiencies for Schools Audited During the 2022-2023 School Year

**Date:** February 2024

**Held In:**  Full Board  State Schools  United We Learn

### SUMMARY OF PRESENTATION:

Review the report on Title IX Deficiencies as required by 702 KAR 7:065 which mandates that the KHSAA review all member schools for Title IX compliance, in terms of facilities and policies.

The KHSAA is in the twentieth year of Title IX Field Audits. At the beginning of the 2018-2019 school year, the KHSAA began its fourth revisit cycle for all member schools, which were suspended during 2020-21 and 2021-22.

Following are the KHSAA Title IX compliance education activities scheduled during the 2022-2023 school year, following a two-year suspension of the audits due to the COVID-19 pandemic and on campus school restrictions:

- Conducted 42 on-site audit revisits with a post-visit report prepared and distributed. Deficiencies are noted in Attachment “A.”
- Continued the process of the submission of KHSAA Annual Report Forms to the Association each year. This process has been automated for the membership, and all member schools are in compliance with the reporting requirements or in the process of completing any missing information. Each of these reports is published on the association website.
- Conducted regional workshops to educate a constantly changing group of member school administrators on data collection and monitoring Title IX compliance, as well as incorporating key elements of Title IX compliance in the 8 regional meetings held each year.
- KHSAA Audit Staff continues to provide outreach assistance for local school district groups, such as Local Gender Equity Review Committees, Athletic Booster Clubs, local School Boards and Professional Educator’s Associations.
- Title IX compliance continues to be a regular agenda item at KHSAA sponsored education seminars, such as the Administrator’s Workshops, held throughout the state and offered online this year.
- KHSAA staff continue to be a Title IX information resource, answering questions and clarifying issues via telephone, email and field visits.
- Assistant Commissioner Darren Bilberry continues to serve as the Association’s designated Title IX coordinator and the remainder of the staff labors with diligence to remain current on ever-changing policy and policy interpretations to assist the membership.
