Positive Developments and Highlights

Participation in the KHSAA postseason (region and beyond) was up this season. 186 total squads entered the postseason in 2022, with 221 total squads entering in 2023.

Championship Update/Review

Great competition for 2023! We were able to bring 15 additional squads from 2022. Crowned 7 state champions in all divisions.

Staff and Worker Update

Special thanks to workers and staff for all of their help conducting the 2023 championships. We appreciate all of the hard work!

Fiscal and Budget Issues and Review (attendance, etc.)

Ticket sales were up, selling over 1200 more than 2022. Total attendance for 3 days over 6500.

Noteworthy Changes / Anticipates Changes

With Game Day continuing to grow in popularity, we may have to look at adjusting the days with the State Dance competition. We may need to move the Game Day divisions to a weekend rather than a Friday night. Will continue working with site to accommodate crowd sizes.
