Dr. Radford - I wanted to send you a quick note to thank you for your support of the South Oldham Lady Dragons Golf program, simply with your retweets on X! It has really helped to further help raise awareness of Girls Golf at SOHS this past season. We went from three girls in 2022 (two 7th graders and a freshman) to fourteen in 2023 with three of our girls qualifying individually for the KHSAA state tournament. We hope to be even more competitive and qualify as a team state in 2024! Trying to create the same success as the boys golf team.....

Thank you again.
