PROFESSIONAL LEARNING

- The March professional learning day is a Flex Professional Learning Day for DHS and LES teachers. Teachers that have not completed their 24 professional hours will come in on that day.
- We have had a number of elementary teachers attend the University of Florida Literacy Institute (UFLI) at NKCES to deepen their knowledge and understanding of implementing the science of reading. We will have MS/HS teachers attending the next UFLI training at NKCES.

ASSESSMENT

- EL students (English Language Learners) are taking the ACCESS assessment this week and next week. This assessment tests these students ability to understand the English language. The goal is for students to exit the EL program that we offer here through the Co-op.
- Juniors are taking the statewide administration of the ACT on Tuesday, March 12th.
- We will be administering the District ACT on March 12th to any sophomores that are interested and a small group of freshmen.

CURRICULUM/INSTRUCTION

- 7 MS/HS teachers have begun implementing the six-step lesson plan during FLEX, which is the MS/HS intervention/enrichment time.
