Consent Item

Superintendent Prior Approval: No

Recommendation/Motion: Accept the base bid with Alternates ____ as submitted by ____; authorize the Superintendent to execute the standard American Institute of Architects (AIA) A101 contract (KDE Version) in the amount of \$____, subject to review/approval of the FCPS General Counsel; and approve a revision to the BG-1 Project Application for a total of \$____, for the addition of three preschool classrooms and HVAC replacement at Harrison Elementary School.

Background/Rationale: In the spring of 2022, the Board designated funding to support the FCPS Preschool program based upon a five-year plan. A priority of that five-year plan includes adding preschool classrooms at Harrison Elementary School. The Preschool program staff has recommended that three preschool classrooms be constructed to serve 45 children in a full-day program. Should additional capacity be needed at a later time, one of these full-day classrooms can be converted into a dual-session (half day) classroom serving 30 children; thus allowing for a total of 60 children to be served in the Harrison Elementary School Preschool program.

A revised BG-1 Project Application for the construction, identifying the extent and cost of the work, was approved by the Board at its September 25, 2023 meeting. Ross Tarrant Architects have produced final Construction Documents for bidding describing these modifications. The project is planned to start ____ and to be completed _____. On January 30____, 2024, (____) bidders submitted proposals on the base bid with four (4) alternates. The results of the bidding are as follows

	BIDDER	BASE BID	Alternate Bid Nos.	BASE BID plus Nos.
1				
2				
3				

Alternate #1=Playground Option #1; Alternate #2=Playground Option #2;
Alternate #3=Right of Way Work; Alternate #4=Brick Veneer Painting

Based on the review of these proposals, the FCPS staff and the design consultants recommend acceptance of the base bid with Alternates ____ as submitted by ____ and recommend a revision to the BG-1. Approval will allow the award of a contract for the addition of three preschool classrooms and HVAC replacement at Harrison Elementary School to commence with minimal delay. Based on this recommendation, a revision to the BG-1 is required as follows:
