BACKGROUND INFORMATION:

Board policy 03.121 states in part "Addition of days to be worked beyond the original contract or additional days of extended employment for a position require prior Board approval before the change goes into effect."

SUMMARY OF MAJOR ELEMENTS:

Requesting the Board add 12 extended days to the Woodford County Middle School Agriculture Teacher position. High school Agriculture Teachers are given extended days by state statute while middle school Agriculture Teachers are not. These 12 extended days would help cover, in part, work days related to the state convention, livestock shows, agriculture camps, and additional FFA activities. The estimated cost of adding 12 extended days would be \$2669-\$4907 depending on rank and experience.
