Good afternoon Susan Pastor-Richard,

Below is the estimate for the SIOP Overview workshop we communicated about on 01/12/2024. Once we hear back from you, we will generate our contract and send it over for your review.

Please note, the proposed dates and fees are valid if we have a fully executed contract on or **45 days before the PD date**. CAL reserves the right not to honor the agreement if a signed contract is not received by this communicated date. Thank you and please don't hesitate to let us know if you have any questions!
