Mrs. Best
Assistant Superintendent for Operations
8330 US Highway 42
Florence, KY. 41042

Dear Mrs. Best:

I am writing this memo to request that we place before the Boone County Board of Education, in the scheduled February meeting, a proposal for an approval to purchase twelve buses during the 2024 Fiscal Year.

The twelve new vehicles will be three separate orders on three separate purchase orders. We will purchase four International type C buses at a unit price of \$156,821 each. Additionally, we will purchase eight Blue Bird buses. The Blue Bird bus order will be separated into three type C buses at a unit price of \$161,595 each and five special needs lift buses at a unit price of \$158,315 each. This amount is consistent with the Kentucky State Contract Pricing and covers the estimated cost for all items necessary to make the vehicles 'road-ready'.

I am including a copy of a spreadsheet indicating the price per vehicle based on the Kentucky State Contract price schedule. The total cost of this proposal is \$1,926,264 of the \$2,000,000 budgeted amount. The delivery dates estimated to be during the 2024 fiscal year. This will leave \$40,556 remaining of the \$2 million bus purchase budget.

If you would like to discuss this proposal further, I would be pleased to meet with you at your earliest convenience.

Thank you,

Nick Greer
Director of Transportation
