

MARION COUNTY
Public Schools

Superintendent's Report
Thursday, February 8

Facilities - Calvary Elementary

Work on the new Calvary Elementary continues as the roof installation nears completion.

Facilities - Calvary Elementary

Continuous Improvement

Glasscock Elementary used time during the district's NTI days to review school goals and assessment data.

Student Success

Students were recognized at each elementary school for being the school-wide winner of the AARP Grandparent of the Year essay contest, sponsored by the Marion County Retired Teachers Association.

WMES winner, Paisleigh Crask

LES winner, Jace Logan

GES winner, Joseph Scott

CES and county winner, Raelynn Sidebottom

Peak Moments

Glasscock Elementary recently held its *Grand Event* where grandparents and other family members were invited to have breakfast with students and visit the school's book fair.

Peak Moments

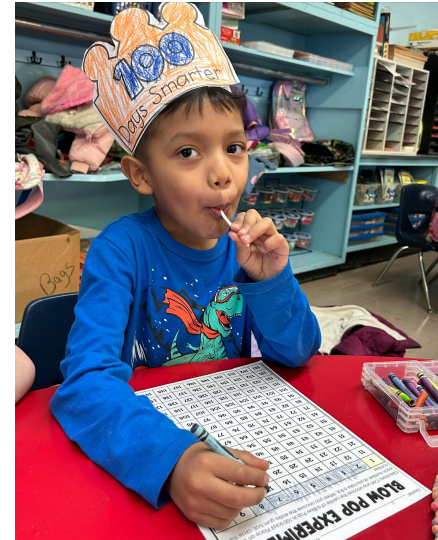

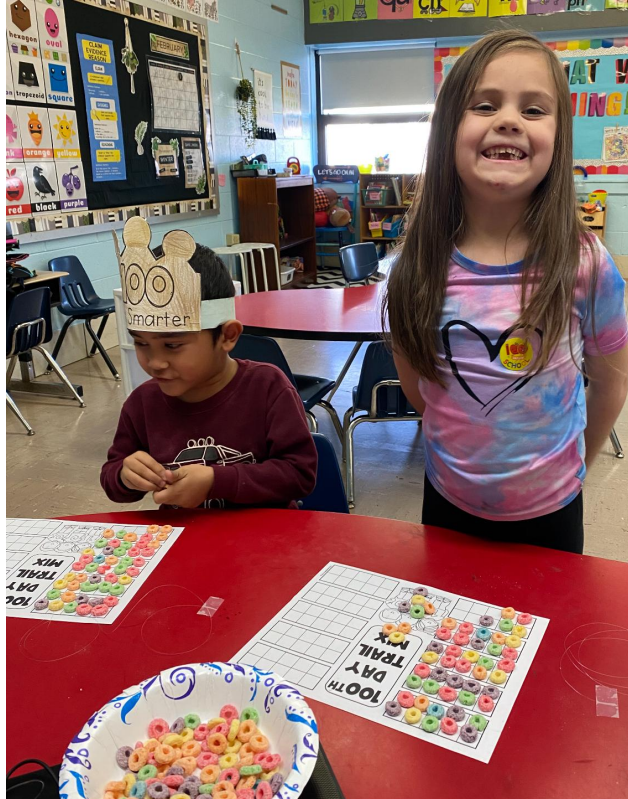

Marion County Middle School celebrated students based on attendance and academic performance.

Students who completed all of their i-Ready lessons also received a treat.

Peak Moments

Students at Lebanon Elementary (and schools across the district) celebrated the 100th day of school recently.

Peak Moments

The WMES Academic Team recently won the district championship.

Peak Moments

The MCHS Academic Team won the district Governor's Cup for the fourth consecutive year.

Peak Moments

Marion County High School JROTC students were invited to serve as the color guard today at the State Senate Meeting in Frankfort. The students were transported via helicopter by members of the National Guard.

Partnerships

Brian Smith with Marion County EMS donated tourniquet kits for each school to add to their supply of safety equipment.
