

## January 2024 Panther Academy

### Student of the Month

#### Beckham Shilts

Mrs. Gregory said that Beckham exemplifies our Guidelines for Success in the following way:

**Promote responsibility:** He completes his work without being asked. The students have books that they take home and read with their family called "baggy books." He shows responsibility by returning those books each day and practicing reading and writing his red words.

**Act respectfully:** Beckham acts respectfully by raising his hand to speak. He listens and follows directions when given the first time.

**Work Cooperatively:** He works and shares with any partner during various Kagan activities. He works well with his peers by sharing ideas and listening to their responses.

**Show Kindness:** He is kind to his teachers by always having a smile or hug ready for them. He is kind to his friends by sharing supplies and being a problem solver if issues arise with them.
