

Madden Fisher
February Student of the Month
Talton K. Stone Middle School

Madden Fisher is a great example of what a panther should be. He is kind and sociable, an all-A student, and involved in many extracurricular activities. Madden is a member of the football team, the basketball team, FBLA and BETA clubs. When he is not in school, he enjoys spending time with his family and playing video games.

Madden enjoys TK Stone because of the people and the freedom to be himself. His favorite class is Math, because it comes easy to him. He is hoping to one day have a career in the engineering field.

Madden has two role models- his dad and his step dad. He looks up to them both because they are willing to help anybody who is in need. They will find a way to figure it out and assist.

Madden is an exemplary student, teammate, and classmate! He is kind to his classmates and they look to him for advice and help. Madden maintains a great balance between being a student and an athlete, being a high achiever in both. He's not afraid to try new things and always has a positive outlook. Madden's keen sense of humor and wit always keeps a smile on our faces! -Ms. Weaver

Honest, reliable, hard-working are just a few words that describe Madden. He is the kind of student that every teacher dreams of having in their class. He not only always does his work on time, but more often than not, he does it early. He can be trusted to run errands and can be trusted to make good choices. It is a pleasure to have Madden in class. Ms. Shearer

Madden shows his true character through his promotion of positivity to all students and staff he encounters. He accepts responsibility by always being prepared and on time for every class. He is consistently one of the hardest workers both in and out of the classroom and will always ask for help in the rare case that he can't figure something out on his own. Madden has always shown respect for his school, his teachers, and his peers since the moment I met him. This school district clings to its tradition of excellence, and Madden Fisher is living that tradition every single day. Congrats Madden! -Mr. Appelman
