Re: 2024-2025 Tuition Rate

This is a request for Board Approval of non-resident tuition rate and temporary non-resident tuition rate for the 2024-2025 school year as required under Policy 09.124, Tuition.

After further review and consultation with our Finance Director, Lisa Lewis, we would like to have 1 set tuition rate for all Non-Resident Tuition.

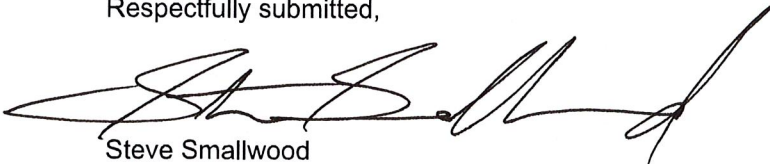

- The recommended 2024-2025 tuition rate for non-resident students and temporary non-resident students would be:

**\$1,546.07**

- Families that move into the district will be reimbursed the unused portion of their tuition.
- We also will receive SEEK Funding from KDE for all students enrolled into BCPS, to include non-resident students.
- Non-Resident, Full-Time District Employees shall not pay tuition to transfer their child Bullitt County Public Schools.

Tuition shall be paid in full 1 week prior to the first day of school.

Respectfully submitted,

Steve Smallwood
