HCHS Track & Field Sponsorship Letter

I am reaching out to your business today to see if you would be willing to support our team. This is our first season on our new 8 lane rubberized track. Our home season was cut short last year to begin working on a new track and turf football field. Construction on our track began last April. We were able to have only one home meet in March. We also had to figure out alternative places to practice. We even had to practice at a neighboring HS which made us pay for extra travel. This construction forced us to miss out on profits from hosting our meets. This year we are doing our best to utilize our new track! We are hosting the 1st annual Border Bash, Colonel Classic, HIT, All-Comers and the Regional Meet at the HS level. These meets will feature teams from across Kentucky as well as Indiana. We will also host 3 additional middle school meets with middle schools from neighboring counties.

This is where I am asking for your help to get me there. Our coaches have set up different levels for corporate sponsors. We would love to share our success story with your business. Your sponsorships will help cover the cost of team meals, team travel, awards and equipment.

Any amount would be greatly appreciated to support our team!
