Consent Agenda Item (Action Item):

Approve out of state travel Thursday, June 6th through June 8th Pigeon Forge, Tennessee via Floyd County School transportation for the members of the Beta Club and Academic Team at May Valley Elementary

Applicable State or Regulations:

Board must approve out of state trips.

Fiscal/Budgetary Impact:

The cost of the field trip will be covered with fundraiser money.

History/Background:

May Valley is requesting an educational trip for students in grades 6-8 that promotes and demonstrates values and requirements of being an honor student. Honor students are those that acquire high academic success with a cumulative GPA of 3.0 for the entirety of the year, dedication to their studies with no discipline referrals, and remain in coordination with the Floyd County Schools attendance policy. The students and sponsors will fundraise throughout the school year to cover the cost of the school trip. Our hope is that the students learn the value of money and budgeting while working toward the desired cost. It is our goal to expose the students of May Valley Elementary to educational opportunities first hand through travel. The Honors Club maintains a financial account through the school where all funds are accounted for. All money for this trip will be entered and receipted with our financial clerk.
