Board and Staff**

Due to the costs of the logistics of the Commissioner attending the NFHS Winter Meeting in San Francisco, the Commissioner deferred attending the National Conference in Orlando in December.

The KHSAA is a longstanding supported of both the KAAA (formerly KHSADA) and the NIAAA, but the costs of the trip to the west coast for a vital meeting with the other state associations, plus the upcoming cost of several staff attending professional development in Chicago, forced reconsideration of the KAAA attendance.

It is hoped that with the 24-25 conference, the Commissioner and KHSAA can again support those organizations by attending.
