Spring Esports Season Enrollment

**Takeaways to help
Board and Staff**

As of 2/15, we have 1,758 student athletes playing on 453 across 120 schools. By far the most participation we have had. In additional, we now have enough participation to offer two additional titles (titles that were sanctioned, but placed in PlayVS' Regional Leagues instead of State Leagues): Splatoon 3 (Paintball, Nintendo Switch) and NBA2K24 (Basketball, Playstation 4)

General Commentary

Splatoon 3 has an Entertainment Software Rating Board (ESRB) rating of Everyone 10+, whereas NBA2K has an ESRB rating of E (Everyone).
