

Himari Suetake  
March Student of the Month  
Talton K. Stone Middle School

Himari Suetake is a wonderful student at T.K. Stone. She is an all- A student who excels in the classroom. Himari enjoys drawing and watching youtube. Her favorite pastime is sleeping. Her favorite subjects are Science and Art. In her spare time, Himari likes to create digital art on her ipad.

Himari says her favorite thing about TK Stone is that her teachers are welcoming. Her role model is her mom, because she works very hard to take care of the family and she is kind.

Himari is a kind, thoughtful, hardworking and intelligent young lady. She is dedicated to her studies. She constantly chooses to do the right thing, even if her classmates do not. She is able to work with all types of students. She works diligently to complete her assignments to the best of her ability and she often sees connections that other students miss. Himari is a wonderful representation of the best of TKS and is deserving of the honor of student of the month. -Ms. Davis

Himari is a very intrinsically motivated student. She works hard in all areas. She is a prefect example to others of it means to put academics first. She always seeks to do the right thing everyday. Congratulations on student of the month. -Mr. Johnson

Himari Suetake is an exceptional student who embraces what it means to be an Elizabethtown Panther. At TK Stone we hold everyone to high standards and expectations to mold them into complete, well-rounded students. Himari continues to exceed these standards day in and day out in the classroom. Her work ethic to be the best student she can be is a direct reflection of the tradition of excellence expected at Elizabethtown Independent Schools. I am proud of the work she has done and look forward to seeing the bright future that lies in store for her.
