THEREFORE, in consideration of the terms, conditions, premises, and mutual agreements set forth herein, JCPS and PCC agree as follows:

1. Duties of JCPS:

- a. Provide space at Shelby Academy elementary school for the Music in Me project.

2. Duties of PCC:

- a. Provide the Music in Me program twice a week for one hour per session. The program will run through the school year and into the summer. Music in Me will serve up to 25 students in each session for an estimated total of 50 students. Music in Me programming focuses on rhythm and learning various drumming methods from different countries. In addition to drumming, Music in Me will help students explore creative movements to encourage healthy lifestyles. The Music in Me program will be provided to Shelby at no cost to the school.
- b. Acknowledges that projects involving program evaluation, monitoring activities, or data collection or research of any kind, are subject to JCPS IRB review and approval as determined by the JCPS IRB to meet federal, State, and Board policies. In these cases, JCPS student or staff participation is voluntary. As a federally authorized Institutional Review Board (IRB), JCPS complies with the federal definition for research, which includes sharing of Personally Identifiable Information (PII) for the purpose of answering a question or evaluating activities for effectiveness beyond standard educational or operational procedures. Thus, all research, program evaluation and data collection activities must be approved by the JCPS IRB and shall not begin before approval is secured from the JCPS IRB.

- c. If the performance of this Agreement involves the transfer by JCPS to PCC of any data regarding any student that is subject to the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. 1232g as amended, (“FERPA”), PCC and JCPS must manage the data transfer in accordance with FERPA requirements, and PCC agrees to the following conditions:
- i. If PCC requests transfer of identifiable data by JCPS that is subject to JCPS IRB procedures, as determined by the JCPS IRB to meet federal, State, and Board policies, JCPS cannot transfer identifiable data to PCC before the JCPS IRB-approved informed consent process has been executed. In this case, PCC does not function as an exception under FERPA. PCC is responsible for obtaining, and maintaining, signed consent after JCPS IRB approval. No data will be provided under this agreement without signed consent from the guardian for records requests involving students or from the JCPS employee or community member for records requests involving adults. PCC must deliver copies of the signed authorization to JCPS upon request.
 - ii. If PCC has been legally deemed a FERPA exception by JCPS in accordance with FERPA Exception Conditions, then PCC shall:
 - (a) In all respects, comply with the provisions of FERPA, including any requirements of Chapter 99 of Title 34 of the Code of Federal Regulations and any other applicable state or federal law.
 - (b) Use any such data for no purpose other than to fulfill the purposes of this Agreement, and not share any such data with any person or entity other than PCC and its employees, contractors, volunteers, and agents, without prior approval of JCPS. Disclosure shall be limited to only those employees, contractors, volunteers, or agents who are necessary for the fulfillment of this Agreement.
 - (c) Require all employees, contractors, volunteers, and agents of PCC to comply with all applicable provisions of FERPA with respect to any such data. PCC shall require and maintain confidentiality Agreements with each employee, contractor, volunteer, or agent with access to data pursuant to this Agreement.
 - (d) Maintain any such data in a secure environment, whether physical or electronic, and not copy, reproduce, or transmit any such data except as necessary to fulfill the purposes of this Agreement. PCC shall notify JCPS within 24 hours in the event of any data breach or disclosure of data to any person or entity other than the parties listed in this agreement.
 - (e) Collect, store, and maintain data in a manner that does not permit the identification of an individual student by anyone other than employees, contractors, or agents of PCC necessary for the fulfillment of this Agreement and having a legitimate interest

related to the purposes of this Agreement in knowing such personal identification, and not disclose any such data in a manner that would permit the identification of an individual student in any form, including, but not limited to, published results of studies.

- d. Use reports produced for this project only for the purposes described above. The data and reporting shall not be used for personal or institutional gain or profit.
- e. To direct all communication and decisions regarding the evaluation, data collection, and analysis to the Accountability, Research, and Systems Improvement office.
- f. Acknowledges that JCPS retains the right to audit PCC's compliance with this agreement.
