

## **March 2024 Panther Academy**

### **Student of the Month**

#### **Achillies Miller**

Mrs. Shilts shared that Achillies exemplifies our Guidelines for Success in the following way:

**Promote responsibility:** Achillies promotes responsibility by being ready to learn every day. He works hard during stations to complete his work. He also makes sure to read his books at home each night.

**Act respectfully:** Achillies uses his manners such as raising his hand to participate in class or waiting patiently in line..

**Work Cooperatively:** Achilles is willing to work with any student in the class. He is flexible when it comes to learning and always helps his friends. He always includes other kids in his play and allows everyone to play with him.

**Show Kindness:** Achillies is a sweet boy and is always there to help his friends. He is wonderful about taking turns and encouraging his friends. If a child ever says they have no one to play with, Achillies is there to play.
