

## Student of the Month- Tenley Pelley

Tenley Pelley is a wonderful representative for Helmwood's Student of the Month. Focusing on Helmwood's guidelines for success, I'd like to concentrate on two of Tenley's strengths, being respectful and being responsible. Tenley displays respect as she follows classroom directions immediately. Tenley is looked to as a leader by her peers because of her mature ability to follow directions the first time they are given. Respect is also displayed with Tenley's manners. A quote I once read said, "Good manners will often take you where neither money nor education can." Tenley's manners are exquisite. She consistently uses manners each and every time she is addressed by an adult in our school. She is also very mannerly and respectful of her peers in a casual way. I have witnessed Tenley helping others when she was unaware the situation was being observed. With a sweet smile on her face each and every day, Tenley does not try to draw attention to herself as a leader or role model. She naturally attracts positive attention with her distinct

ability to utilize respect each and every day. Along with her mature ability to demonstrate respect, Tenley is incredibly responsible. She completes her work and gets anything she is given turned in on time. Tenley is a dependable young lady. I am very proud that Tenley gets to represent Helmwood Heights this month. - Mrs. Cann

She is fun to be around and makes me smile daily. This honor is well-deserved and I am so glad she has been chosen to represent 4th grade and Helmwood Heights.
