

WALDEN UNIVERSITY

The following *Field Site Affiliation Agreement* is a legal contract between Walden University and a field site that addresses the responsibilities of each party with regard to field experience placements. A current *Field Site Affiliation Agreement* must be on file for any student to begin a field experience.

The *Field Site Affiliation Agreement* only needs to be signed and submitted once per site. Once a student submits their Field Education application, our coordinators will review if an agreement is on file between Walden University and the Field Site. If determined there is not, our coordinators will reach out to the site directly with this *Field Site Affiliation Agreement* for review.

The *Field Site Affiliation Agreement* must be signed by the appropriate signatory as determined by the field site (for example, the site supervisor or agency director). A fully signed agreement will be returned to the site supervisor once the agreement has been signed on Walden's end.

Any revisions to this standard template need to be approved by Walden's legal counsel through the Office of Applied Learning Agreements. If revisions are made to the contract, or if a field site requests to use an alternative contract, this must be reviewed and approved by the Office of Applied Learning Agreements. A copy of either the edited Walden agreement or the field site's alternative contract should be provided to the Walden coordinator who sent this document to the field site.

This template is editable only by the required highlighted fields.

Students and prospective field sites can contact the appropriate Walden Field Office with questions about affiliation agreements.
