

What We've Done

- We celebrated World Kindness Day.
- We helped support the YSC
- We celebrated being drug free
- Third party compliments, showing love to our peers
- We celebrated THANKSgiving
- We Hosted a Winter Formal
- We celebrated Kindness Week
- We are helping the community
- We are working on public speaking
- We are planning on bringing awareness to child abuse

Hear from our own members

Harper Blake

"I love teen leadership because it helps me have an influence"

Tanisha Patel

"I like teen leadership because I am able to express my creativity"

Maddie Ryan

"I love teen leadership because of the community it builds."

World Kindness Day

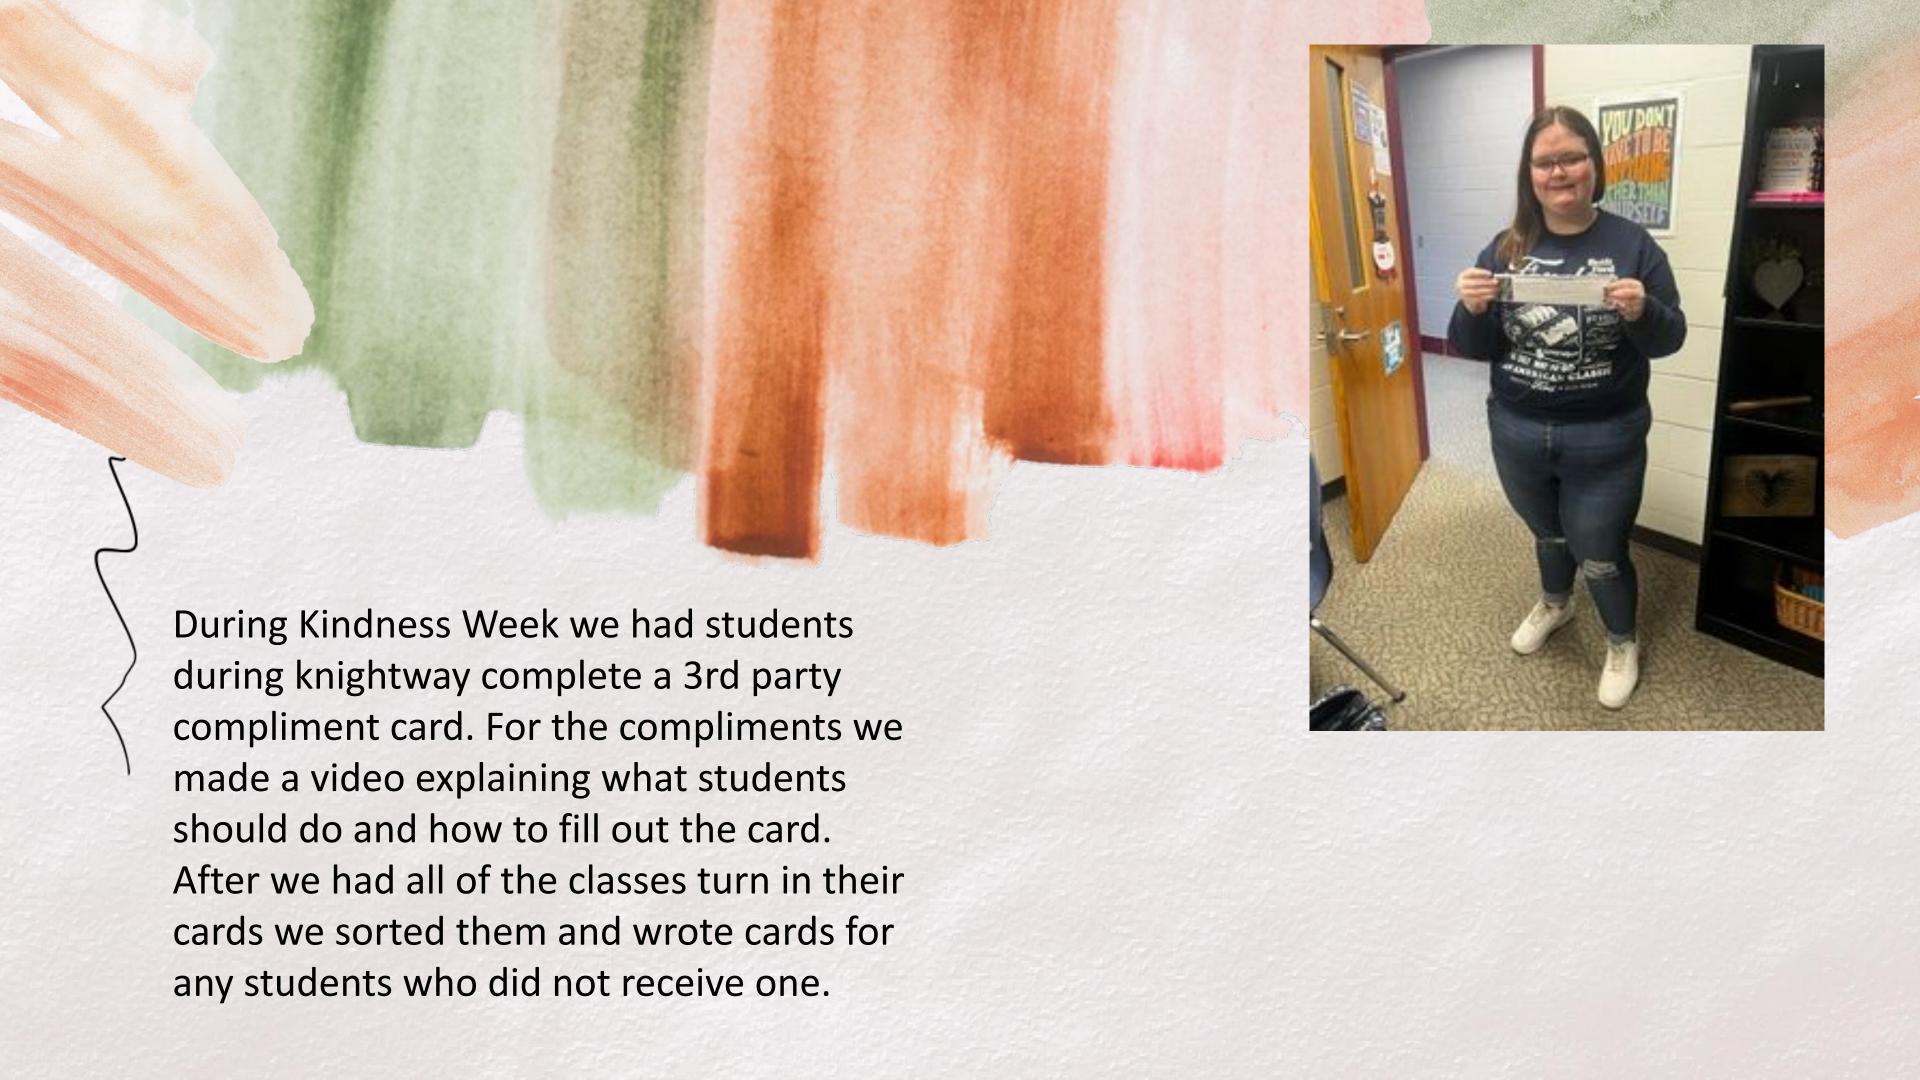

On World Kindness Day, everyone in Teen Leadership passed out cards with positive affirmations on them. Students were asked to pass the card onto a friend or even someone who they don't normally talk to spread kindness throughout our School.

Helped Support the YSC by hosting a canned food drive.

Thankfulness Tree

For Thanksgiving, in Knightway every student was given a leaf and was told to write something they're thankful for then color it. After we collected all of the leaves Teen Leadership taped them to the tree in the hallway where the students work could be displayed

We celebrated being Drug-Free with Red Ribbon Week. Which included a fun festive spirit week and we had a chance to hear an amazing public's speaker, Forrest Quillen tell his story to being drug free!

Winter Formal

This year we hosted a formal with the theme: Knights! Cameras! Action! It was a well thought out project and we knew we wanted to make it a memorable night for everyone. Our expectations were far reached and I think it's safe to say that everyone had the best time!

How do we plan to close out this year?

- Public Speaking Opportunities
- Child Abuse Awareness Month
- Continuing Community Service
- Celebrating our achievements over the course of this year
