

Grandview Elementary
SBDM Board Report
March 20, 2024

Academics

Student of the Month academic theme this month is Math.

Kindergarten Registration

- Approximately 25 new Kindergartens attended!!

Math Madness Night

- March 11th
- 200 Children and adults learned math concepts together!
- Multiple math resources and giveaways
- All students left with grade appropriate math games

Grandview Staff attended RTI @ Work Summit by Solution Tree

- Heather Rabe, Sara Teegarden, Allison Craig and Brooke Dougherty attended
- Great learning! We are excited about the planning and work ahead to determine essential standards school-wide.

PLCs

- Mandy Barrett, Solution Tree Consultant, will be working with Grandview staff to sure up the PLC structure and start the work of determining essential standards.
- Dr. Barrett will be at Grandview March 13th, March 20th, April 24th and May 2nd

District Wide TBC

- Thinking Strategies
 - Teachers had an opportunity to explore the shared language of thinking strategies and simplify how we apply them by considering how they invite students to think vs asking them to complete a task. They then chose a thinking strategy they were not confident in using and were asked to read through the lens of that strategy.
 - Essential Question: *How will you push past simply assigning tasks and move toward asking your students to share their thinking?*

New to the Vue

- Breaking Down Standard into Learning Target
- Consensus Circle to help determine requirements of the standard vs prerequisite standards

KSA (KY Summative Assessment) Prep Plan

- Friday *Stop and Write* Initiative to improve writing stamina
- 5th Grade On-Demand Boot Camp
- 3rd-5th Bi-weekly KSA practice tests
- Admin and teacher organize individual student meetings to review test schools and strategies
- Plan KSA theme and produce teacher video
- End of the Year Celebration

Attendance

Ms. Land and Ms. Dennis' class won the February school-wide Attendance Challenge.

Grandview 2024-2025 Attendance

	Sept	Oct	Nov	Dec	Jan	Feb
Preschool	96%	96%	90%	85%	89%	84%
Kinder-5 th	94%	91%	93%	94%	92%	93%

Social Emotional: Character Strong- March's character trait is Cooperation.

- Teachers nominated students for January's Character Strong theme of Perseverance. We celebrated with popsicles and board games.
- During the month of March, teachers are focused on using Character Strong lessons on Cooperation to help guide the activities and discourse during their morning meetings. Ms. Craig and Ms. Antony will reinforce this learning during their monthly SEL lesson.
- For March and April, we started a new Attendance Challenge. Classes with perfect attendance between March 11th and April 30th will receive a sticker. The primary and intermediate classes with the most stickers will vote on the celebration of their choice. Individual perfect attendance will also be rewarded.
- National SEL day was Friday March 8th. Every teacher was given a Self-Care Tool-kit box thanks to Mr. Forshey and Ms. Kuhn. Biggby Coffee donated coffee for the staff, and community businesses donated gift cards to raffle off for teachers. Ms. Rabe also put together a snack/drink cart and went to door to door to deliver yummy treats to the teachers.

Behavior

Over the past month we have seen an increase in behavior referrals, especially in disrespectful behavior. We are seeing the benefits of Character Strong in that it is leading to meaningful conversations with Ms. Craig, Ms. Antony, Mr. Forshey, and/or Ms. Rabe when discussing behaviors that do not meet our schoolwide expectations. As a staff, we reviewed our behavior flowchart to help strengthen Tier I classroom management and define classroom and office handled behaviors.
