INSTRUCTION / PROFESSIONAL DEVELOPMENT / ASSESSMENT

- The Juniors have all taken the ACT! I am excited to see the results because I know the students and teachers have all worked very hard to prepare. The staff served them pancakes on 3/12 and 3/13 to ensure they had a solid breakfast to start the day. The students also all received a 2-Day Intensive Training that was purchased through TorchPrep, one of the leading test prep centers in the region.
- Teachers are gearing up for Internal Labs in two weeks (March 25 - 29)!
 - Our lab hosts for this week are Ms. Winkler, Mr. Sary (first time), Ms. Wheatley, and Mr. Graham.
- We've been working in PLCs during ERDs to continue our Tier 1 Unit Planning, Tier 2 Flex Scheduling, and we're now beginning the stages of building the SEB side of our MTSS. This will be a collaborative effort with the SPF Team and the work they're doing on the prevention side.

- Last week, the Seniors were on their field trip to Disney (we had half of the class there)! In addition, Mr. Pelgen took 4 of our other grades on their annual visits to a college campus.
- We also hosted all of the Southgate 8th Graders for a visit and building tour! They heard from Mr. Pelgen, Ms. Young, Ms. Carr, Mr. Hicks, and Ms. Hicks. They also visited four classrooms, Ben Flora, and took home some Bellevue swag! It was an awesome couple of hours with some prospective students!

BMHS STAFF HIGHLIGHTS

KATIE SHROYER

Get to know Katie Shroyer, a Science Teacher here at Bellevue High School!

What was your first job?

My first job was working at a pediatric dentist office. I set-up all of the trays, cleaned and sanitized after appointments, and helped with some of the paperwork.

What did you name your first car?

I named my first car Sasha. If you've ever seen the TV show Scrubs, that's what the main character J.D. names his scooter. I loved that show in high school!

You have to sing karaoke, what song do you pick?

"Satisfied" from Hamilton. It's a bonus if my brother and sister are with me, because we all know all of the words and will sing it together.

What fictional family would you be a member of?

The Weasleys from Harry Potter. I love their dynamic of both functional and chaotic. I think they're so caring and compassionate towards each other as well. The ability to do magic doesn't hurt either.

What was the first concert you ever went to?

Maroon 5, before they were the Adam Levine show, and Train were in concert together when I was in high school. I have vivid memories of seeing it with my dad and loving it.

What makes you #BellevueProud?

The community we have here amongst the teachers and staff.
