RE: New Mercer County Elementary School
Commissioning Proposals
RTA Project: 22029
CMTA Project: XMES22

Dear Mr. Booher:

On behalf of Mercer County Schools, CMTA Engineers solicited proposals from contractors for the Mechanical and Electrical Commissioning scope of work for this project. On February 28, 2024, we sent an RFP to three different Commissioning Contractors that we have extensive experience with and received three proposals. Those proposals received were as follows:

ZH Commissioning Florence, KY	\$42,920
Facility Commissioning Group Lexington, KY	\$51,600
CMTA Commissioning Prospect, KY	\$59,850

After reviewing the proposals in detail, it is our recommendation to award the Commissioning scope of work to ZH Commissioning.

Sincerely,

Aaron Shultz, P.E.
