

**Grandview Elementary**  
**SBDM Board Report**  
April 17, 2024

Academics

**Student of the Month** academic theme this month is Reading.

- Read to Succeed Act
  - Teachers are currently researching and looking through samples of literary resources to choose an alternative to Scholastic Literacy. Due to changes from Senate Bill 9, Scholastic isn't approved by EdReports for early literacy and therefore isn't considered a High-Quality Instructional Resource (HQIR).
- PLCs
  - Dr. Mandy Barrett from Solution Tree has visited us twice to assist with the process of identifying our Essential Standards and deconstructing those standards into learning targets. We'll continue to work on these this school year and into the summer. Dr. Barrett will be visiting again April 24<sup>th</sup> and May 2<sup>nd</sup>.
- Internal Labs
  - Hosts
    - Pitzer: 2nd Grade Reading
    - Basselman: 4th Grade Math
    - Henry: 4th Grade Physical Education
    - Ervin: Kinder Writing
  - All classroom teachers were invited to attend one of the four internal labs where they attended a pre-brief before school to gather information from the host about the lesson being observed, an observation of an entire class period, and then a debrief after school to synthesize their own learning and offer constructive feedback to the lab host.
  - Many teachers and instructional assistants provided coverage to be able to pull this off!
- 3rd Grade CoGAT Testing was completed March 25<sup>th</sup>-29<sup>th</sup>. We look forward to seeing that data and determining students that qualify for Gifted and Talented services for the 2024-2025 school year.
- Spring MAP testing was April 1<sup>st</sup>-5<sup>th</sup>. Teachers assisted students in setting individual MAP goals for both reading and math. Preliminary data show significant growth from Winter to Spring MAP.
- We are currently planning professional development for 2024-2025 school year. Teachers filled out a PD survey to help determine school-wide priorities and needs. We will utilize this feedback to assist in planning.
- We have planned Grandview summer learning and sent out registration forms to families. Summer learning will be June 3<sup>rd</sup>- 28<sup>th</sup>.

Summer Learning Program Schedule

8-8:30am Breakfast

8:30-11:15 Math & Reading Instruction (GES Certified Staff)

11:15-12 Lunch

12-3pm Enrichment Program (21<sup>st</sup> Century Staff)

Attendance

Grandview won the district-wide attendance challenge! We now have Kinder/1<sup>st</sup> competing against 4<sup>th</sup>/5<sup>th</sup> grades for the March Madness Attendance Challenge Championship!

### Grandview 2024-2025 Attendance

	Sept	Oct	Nov	Dec	Jan	Feb	March
Preschool	96%	96%	90%	85%	89%	84%	90%
Kinder-5 <sup>th</sup>	94%	91%	93%	94%	92%	93%	94%

**Social Emotional:** Character Strong- April's character trait is Courage.

- At the end of March, teacher nominated students were recognized for Cooperation. We celebrated with time on the playground and popsicles.
- During the month of April, teachers will focus on using Character Strong lessons on Courage to help guide the activities and discourse during their morning meetings. Ms. Craig and Ms. Antony will reinforce this learning during their monthly SEL lesson.
- We started a new Attendance Challenge. Each day every class with perfect attendance between March 11<sup>th</sup> and April 30<sup>th</sup> will receive a sticker. The primary and intermediate classes with the most stickers will vote on the celebration of their choice. Individual perfect attendance will also be rewarded. Classes that win each week are given extra recess as well.

### Year to Date GES Behavior Office Referrals
