performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

Any notices or reports by one Party to the other Party under this Contract shall be made in writing, to the address shown in the first paragraph of this Contract, or to such other address as may be designated in writing by one Party to the other.
