Re: April 22nd Board of Education Meeting Staff Recognition: NHSSCA State Coach of the Year

In March, Coach Tolliver Hefner from BEHS was named the National High School Strength Coaches Association's Kentucky State Coach of the Year. This award is given annually to a High School Strength and Conditioning Coach in recognition of their coaching achievements and passion for the profession. Coach Hefner was selected among top coaches across the state and will receive an award certificate and special recognition at the NHSSCA National Conference in Texas this summer.

Congratulations, Coach Hefner!
