RE: Request to reorganize HCHS CTE Department

The HCHS Career & Technical Education Career Coach is retiring June 30, 2024. As a result of this retirement, and an additional upcoming retirement within the department, HCHS has planned a reorganization of job duties and responsibilities for the CTE Department.

HCHS has requested to eliminate the career coach position in lieu of a 220 day assistant principal for the CTE Department. This will not increase the number of positions allotted. It is merely a one year positional shift to fit the needs of the current CTE program for the 2024-25 school year.

I approve of this reorganization and thank you for your consideration of this request.
