Recommendation/Motion: Approve the Schematic Design Documents for the construction of the New Elementary School on Greendale Road.

Background/Rationale: The construction of the New Elementary School on Greendale Road is listed as priority 2.a.1. on FCPS's 2021 District Facility Plan (DFP). The Director of FCPS Facility Design & Construction has drafted a preliminary cost estimate for the new construction, yielding a final project of approximately 93,459 SF to serve 750 students (K-5). The building construction project will be funded through a bond issue. A BG-1 Project Application for the construction, identifying the extent and cost of the work, was approved by the Board at its December 14, 2023 meeting and has been filed with the Kentucky Department of Education. At this time, the Board is required by 702 KAR 4:160 to indicate acceptance of the schematic design documents represented in the plans prepared by the design consultants Sherman Carter Barnhart Architects. Based on the review of these documents by FCPS staff, the Office of Facility Design & Construction recommends approval of these plans. Upon the Board's approval, these documents will be submitted to the KDE District Facilities Branch as required prior to the preparation of design development documents.
