2025 Spring Break Trip

Apr 15, 2024

Overview

The high school softball team would like to go to Orlando, FL April 5, 2025 through April 9, 2025. This is during Spring Break next school year. We would fly to Orlando, stay at Cabana Bay Resort, play other teams from around the country, and participate in team bonding activities. Players have already started to fundraise to pay for the trip if it is approved.

Purposes

1. **Improve softball skills:** We will participate in a Spring Training event hosted by KSA Sporting Events. This will involve practices led by top coaches and games against teams at our level from around the country.
2. **Team Bonding:** Just like any team sport, it is important to bond together both on and off the field. This trip would give the players and coaches an opportunity to do that in a new way.

Accommodations

Hotel rooms, flights, luggage, ground transportation, Tickets to Universal Studios, Islands of Adventure and Volcano Bay, and food are all covered in one price that maxes out at \$1900 per athlete. As more people sign up (chaperones and parents), that price will decrease. KSA provides fundraising support as well. If we are able to go on this trip, we will have a KSA representative to help us with every step, from fundraising until we return back to Berea.
