

**MEMORANDUM OF UNDERSTANDING**  
among  
**Dayton Independent Schools**  
**Bellevue Independent Schools**  
and  
**Southgate Independent Schools**  
for the  
**McKinney Vento Homeless Children Education Program**

Dayton Independent Schools, Bellevue Independent Schools, and Southgate Independent Schools (jointly known as "the districts") agree to share responsibility for and the work of the McKinney Vento Homeless Children Education Program in our three school districts.

We agree to the following concepts, procedures, and activities:

- Dayton Independent Schools will serve as fiscal agent, employ a coordinator, and manage fiscal affairs of the project.
- The districts will comply with McKinney Vento and all relevant state law with regard to the education of students identified as homeless.
- The districts will collaborate to use existing and develop any new policy and procedures needed to ensure appropriate identification, enrollment, and education services are provided to homeless students.
- The districts will train staff members to recognize signs of homelessness and to refer children to the McKinney Vento program as needed.
- The school districts will encourage collaboration with national, state, regional, district, community, and school agencies and organizations that can provide needed supports for homeless students.
- The districts will provide resources and connections that will assist parents to be involved in the education of homeless children.
- The districts will implement the Strategic Plan of the attached narrative faithfully and will support any updates or modifications required to support homeless children's education.
- The districts will provide financial support from general fund or specific programs as indicated in the Strategic plan.
- The districts will provide data and analysis to enable the project to monitor implementation, progress toward goals and outcomes, and project effectiveness.

This agreement will take effect upon project funding and end three years from that date, unless altered by mutual written agreement of the districts.
