RE: BEHS Fine Arts - Change Order #03 **DC**

This Change Order includes work to address unforeseen subsurface site conditions due to the installation of the new 48” storm pipe as well as the City of Mt Washington site review comments that were issued after the award of the construction contract.

Work covered under this change order includes the following:

- Vacuum Excavation of the existing Geothermal Lines
- Saf-Trac Material for the softball warning area in the Outfield.
- City of Mt Washington Comments to omit an entrance previously shown off Eastbrooke Point Drive
- Relocation of the secondary electrical line that served the College and Career center as it conflicted with the 48” storm pipe.
- City of Mt Washington requirements for the domestic water and fire protection meter tap.

**I recommend approval of this request.**

Attached paperwork is listed below with *action items* noted for each:
