William Newsome, Jr., Board Chair - District 3
Linda C. Gearheart, Vice-Chair - District 1
Dr. Chandra Varia, Member- District 2
Keith Smallwood, Member - District 4
Steve Slone, Member - District 5

Consent Agenda Item (Action Item): Install roof mounted air conditioner for Preschool Classroom on Wheels

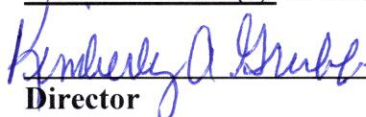

Applicable State or Regulations: BOE Policy 01.11 General Powers and Duties of the Board

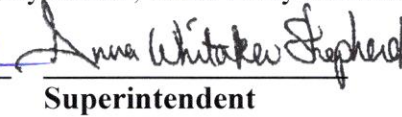

Fiscal/Budgetary Impact: \$6,000 for roof mounted air conditioner would likely come from ESSER funds, if available, otherwise, it would be sourced from general fund.

History/Background: Installing a roof mounted air conditioner is necessary for the preschool classroom on wheels because the current air conditioning only operates when the bus is running and cannot be connected to the generator. This upgrade is essential for maintaining a comfortable environment for activities with children during periods when the bus is parked for one to one and half hour for activities.

Recommended Action: Approve as presented

Contact Person(s): Kimberly Grubb, Chief Early Childhood Officer, 606-886-4555

Director

Superintendent

Per your request the quote to install a 13,500 BTU AC unit on the preschool mobile classroom is \$6000.00. The existing AC on the bus will only work when the engine is running.

Thanks,
Bryant Stevenson
