**Re:** 2024-2025 Breakfast and Lunch Meal Prices

---

During the 2024-2025 School Year, Food Service will continue to participate in the Community Eligibility Program (CEP). The program offers Free Breakfast and Free Lunch to all students every day. This program continues to be a great value and benefit for our students and their families. Due to Federal and State guidelines, Simpson County Schools Food Services will be increasing our adult meal prices for breakfast and lunch. We have not had to increase our prices in over 3 years.

Adult meal prices for breakfast and lunch are as follows:

\*Breakfast - \$3.25 was \$2.75

\*Lunch - \$4.75 was \$4.00

If you have any questions, please let me know.

Thanks.
