Dear Board Members

I am requesting approval to continue utilizing Commonwealth Pest Control as our district outsource provider as their current contract expires at the end of June 2024.

Commonwealth is our current provider and has done an excellent job for the past ten years. They have taken on spaces that are new to the district with no increase in price and their current bid is the same pricing as the last ten years.

Equally important, their after hour additional services (call ins) are listed at no charge regardless of services required/or none.

I appreciate your consideration and subsequent approval.

Respectfully submitted,

Chad Drake
Operations Manager
