RE: Candidacy Member Schools

---

To update you on our current status of our member schools, we currently have 3 schools in their candidacy period: Cornerstone Christian (Shelbyville), David School (David), Grace James (Louisville), and W.E.B Dubois (Louisville).

- Cornerstone Christian (Shelbyville) has indicated through it's Designated Representative that for the 2024-25 season, they will participate in many sports and sport-activities but will not participate in the KHSAA postseason for any sports or sport-activities.
- David School (David) has not been able to be reached by staff. With no response, the David School's status shall remain the same as a candidacy member for 2024-25.
- Grace James (Louisville) will remain in candidacy for 2024-25 and will become eligible once they have a full graduation class.
- W.E.B. Dubois (Louisville) is eligible for postseason 2024-25 and will be placed into the alignment.

At this time, I have no new membership applications for the 2024-25 school year, but will be sure to report as required in the July meeting.
