Greetings to our Imagination Library Friends!

Thanks to your contributions, in Taylor County, we are serving 900 children with free books each month through Dolly Parton's Imagination Library program!! 400 children have been in the program and graduated, which means we have served 1300 children. That is better than nearby counties have done.

The program, for children from birth to age five, is not available on an individual basis. It must be provided through a 501(c)(3) organization/s that sponsor and guarantee funding for the books. The Rotary Club and Kiwanis are continuing their efforts to get the books into the hands of children by asking for contributions. As we serve more children, the amount that must be paid each month continues to rise, which is why we greatly need your contribution.

It is important that children get, and are read, books between the ages of birth and five years, as that is when the brain is developing at the highest rate. The books are an ongoing effort to help children of our community be better prepared for kindergarten, and thus do better throughout school. Parents tell us how excited children are to receive the books in the mail each month, and we thank you!

Your contribution to the Imagination Library Program is an effort to help our community have well educated, productive citizens! Please give great consideration to writing a check, made to Rotary. Send it to Faye Howell, 105 Violet Lane, Campbellsville, KY, 42718. You may contact Faye at 270-403-1935 or fayehowell6202@comcast.net with any questions. Faye is a member of both Kiwanis and Rotary and is serving as the contact person for the Imagination Library.
