Casey County would like the Board of Control to consider making Class 3A District 4 a four team district consisting of: Casey County, Garrard County, Mercer County and McCreary Central.

This proposal is based on the following information:

1. LaRue Co. has appeared to petition to leave Class 3A District 4 for District 2.
2. Make District 4 a 4 team district.
3. Replace Lexington Catholic with McCreary Central in District 4.
4. Travel: All four teams have easy access to and connection to Highway 27.
5. Mileage: Given the current bus mileage rate of \$1.89 per mile, the cost would minimal for transportation at this rate
Garrard County- 33 miles \$114.74 round trip per bus Total: \$229.48
Mercer County- 39 miles \$147.42 round trip per bus Total: \$294.84
McCreary Central 66 miles \$249.48 round trip per bus Total: \$498.96

If traveling to the current proposed district: \$1,023.28
Lexington Catholic 62 miles \$234.36 round trip per bus Total: \$468.72
LaRue County 68 miles \$257.04 round trip per bus Total: \$514.08
\$982.80

6. History: All of these teams have played each other for years. We have been in either current or past districts together. Our fans are familiar with one another, there is a tradition on the gridiron, fans will travel to the games to help with finances, etc.

7. Financial: Because of the distance of travel, history, etc. all schools will travel well and help off-set travel expenses with larger gates than playing opponents that don't travel well, or are not familiar with our fan base.
