RE: Prime Date Policy

After review of the information provided to the membership to monitor adherence to the KHSAA Board Adopted Policy regarding prime date scheduling of girls' basketball contests, I report the following member schools to have been found not in compliance based upon the season-ending schedule as published on the Association website.

Boone County
East Carter
Fleming County
Gallatin County
Lafayette
Madison Southern
Owen County
Presentation (all-girls)
Rowan County
Shelby Valley
Trimble County
Wolfe County
Woodford County

I would add that following last year's final analysis report, Lafayette and Owen County were repeat members not in compliance in 2023-2024. Our office will be contacting administrators at the above schools for a detailed report to be submitted at the July Board of Control meeting.
