Mr. Tackett-

We are requesting that you rescind the one game suspension for the following young men:

Eli Castle (#1)
Ben Stratton (#50)
Nehemiah Wilson (#23)

During the incident (10-27-2023 game vs. Montgomery County) in question, all three young men were transitioning from being off the field (we were on defense), to taking the field on offense. Our offensive player caller, our head coach, was on the bottom of the pile, right next to our sideline.

Yes, that was a different scenario that certainly complicated a normal transition. But, the fact remains, that transition was taking place. Those young men had every right to be on the field of play, once the whistle was blown, on the play that gave us the ball (the interception).

We were all there at the game and witnessed the entire event. These young men did absolutely nothing to warrant a one game suspension. Their right to be on the field is clear according to NFHS rules.

As a show of good faith, we have asked those young men to complete the NFHS Sportsmanship Online course. Those certificates are attached. If there are other steps that would help to get them back on the field without a suspension, we would be open to those as well.

Please consider our request. if you would require additional information, of course we will comply with whatever you ask of us.

Thank you-

Sheila Mitchell
