RE: Ridge Cap and Closure Replacement

Dear, Mr. Hawkins.

Thank you for allowing Tremco/Weatherproofing Technologies, Inc. ("WTI") to provide you with a proposal to replace the ridge cap and closures on the metal roof system at New Highland Elementary School.

Metal Ridge Cap and Closure Replacement:

1. All Work to be completed according to OSHA guidelines for safety.
2. Remove and dispose of existing ridge cap, closures, and associated flashings in a contractor furnished trash receptacle.
3. Clean and prep existing metal panel to be free of all debris, caulking, and adhesive.
4. Existing metal roof panels to be tonged up at panel ends underneath ridge cap.
5. Furnish and install new precut foam closures between each panel rib on both sides of the ridge.
6. New closure to sealed along the back side of the foam to panel joint with new Commercial grade urethane sealant.
7. Fabricate and install new 24ga. Kynar 500 pre-painted ridge cap. New ridge cap to be shop formed and mechanically fastened to existing rib battens.
8. New Ridge cap to be slightly larger than existing to cover existing screw holes through rib battens. Old screw holes to be seal with Commercial grade urethane sealant prior to new ridge cap installation.
9. New ridge cap seams to have a minimum 2" overlap with a double beaded application of Commercial grade urethane sealant. All ridge cap seams to be pop riveted every 2" O.C. and pop rivet heads to be covered in a tooled application of Commercial grade urethane sealant.
10. Fabricate and install new 24ga. Kynar 500 pre-painted ridge end caps. End caps to be custom made to fit the profile of the installed angle of new Ridge cap.
11. Maintain an orderly jobsite and thoroughly clean upon completion.

All work as outlined above to be completed for the total sum of: \$109,995.00

If you have any questions please contact me. When you are ready to authorize this work, please print and sign this page and return to me by email (Tcarby@tremcoinc.com) or you can issue a PO to WTI and reference this proposal.

Sincerely,

Trey Carby
Tremco Field Advisor

Unless all Work hereunder is to be performed within thirty (30) days, WTI shall submit an invoice to the Customer at the end of each calendar month for the amount due for the portion of the Work completed during that month. If all Work is to be performed within thirty (30) days, no invoice shall be submitted until all Work has been completed. Customer shall pay WTI in full within thirty (30) days after receipt of each invoice.

TERMS AND CONDITIONS:

This Proposal is an offer by WTI to provide the Scope of Work set forth above to the Customer on the terms and conditions set forth herein and in WTI's standard terms and conditions (a copy of which may be obtained at <http://www.tremcoroofing.com/filesshare/terms/TandCWTI.pdf>), which are hereby incorporated by reference (together, the "Terms and Conditions"). The Terms and Conditions will govern the Work to the exclusion of any other or different terms, including in any customer purchase order, unless otherwise expressly agreed in writing pursuant to a Master Agreement or similar contract with Customer signed by an authorized representative of WTI. Please confirm your acceptance either by return e-mail to the representative identified below or by having an authorized representative of Customer sign in the space provided below. Upon receipt of acceptance, WTI will process your order and promptly begin the Scope of Work. We appreciate your business and look forward to working with you at your facility.

All services delivered by Weatherproofing Technologies Inc.
Please issue purchase order directly to WTI Vendor #158694-65DA
Pricing is good for thirty (30) days.

AUTHORIZATION AND ACCEPTANCE:

Authorization is hereby given to WTI to proceed with the Work.
