- Please keep up with our social media page on Facebook – Berea Middle. We try to always post weekly and highlight all the good things we have going on in Berea Middle.
- We have seen great use and improvement with our students this year through the curriculum I ready in our Language Arts and Math classes. We are projected based on this data to raise our scores on the state testing we just finished.
- Berea Middle School has extended a job offer to Melissa Collier for our current language arts position. Melissa Collier is currently finishing the school year at Foley Middle.
- We have had a wonderful school year and we will be wrapping up with our award days this week. We are excited to celebrate our students on all their efforts and improvements.
- Our teachers will be working May 20-23rd on preparation for the next school year as we have some exciting focus points that we have discussed already. I will be sure to share these with you in our future meetings.
