Alicia,

PCHS plans to roll over an approximate amount of \$3,000 from the current school year to the 2024-2025 school year.

This will be after we cover our expenses for the remainder of this school year. The \$3000 would be used to start the new school year for various supplies and starting expenses.

If you have any questions please feel free to contact Dr. Kincaid or myself.

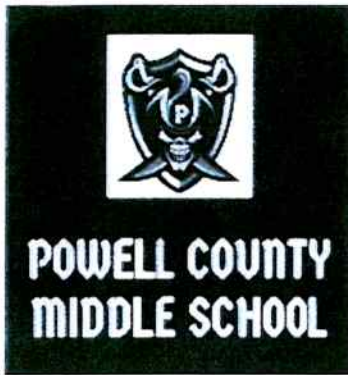

Thank you,

To whom it may concern:

After reviewing the budget for the 2023-2024 school, we are requesting that approximately \$2000.00 from our SBDM funding source be rolled over into the 2024-2025 school year. This money will be utilized to purchase general supplies and pay any upcoming bills such as our lease agreement with Toshiba for our copiers and images. This amount is approximate.

Thank you for your time and consideration.

Dear Powell County Board of Education,

On behalf of Stanton Elementary, I would like to request the approval of allowing us to carry over roughly \$700.00 in our SBDM budget into next year's budget. This money will be spent and used at the beginning of next school year to cover the cost of school supplies for all our students.

Respectfully,

James Crase
