Re: Bid List for 2024-2025

Each year we request board approval to bid on a variety of items during the school year. We schedule various items throughout the year and present them to the school board for approval each month as we send out specific bids. The items bid depend upon specific needs, and not all items on the attached list may be bid during the next year.

Attached is a list of items we request your approval to bid on as the need arises during the school year.
