

JAC Art Contest, Sponsored by DAR

We are proud to recognize our students who participated in the JAC Art contest, with many achieving success at both state and national levels. The JAC contest program engages students from kindergarten through twelfth grade across the United States, emphasizing the importance of teaching citizenship from an early age. With categories in art, creative expression, and community service, the contest offers opportunities for students of all abilities to showcase their talents. Entries are judged by grade level on four tiers, ensuring inclusivity and participation for every child. We are proud to recognize the following students for their outstanding achievements in the JAC Art contest, representing our school with talent and creativity on both state and national levels.
