History/Background:

Summer basketball is an opportunity for teams to grow and develop through playing quality competition in an environment that does not carry the stress of the regular season of play. UVA-Wise provides a state of the art gymnasium that will allow our athletes to play and experience a next level environment while building teamwork and skills needed for the 24-25 season. Summer Camps are cherished memories that allow our girls to develop bonds and friendships necessary to shaping a successful team chemistry.
